

A charcoal drawing of a crouching figure, possibly a person or animal, rendered in dark, textured strokes. The figure is positioned on the left side of the frame. A red ink line, resembling a string or a path, starts from the top left, arches over the figure's head, and ends at a red scribbled shape on the right. Another red scribbled shape is located near the figure's head on the left. The background is a light, textured surface.
